## Objective

To obtain a position in a creative environment where I can make a significant contribution and grow in my abilities as a designer.

## Education

### Bachelors of Science, Graphic Design

Arizona State University • Graduated in May 2010 • Magna Cum Laude

### Page High School

Academic Diploma • Graduated in May 2006 • Magna Cum Laude

## Experience

### Front-End Drupal Developer

Bizzibiz • Scottsdale, AZ • August 2011 - November 2011

Used CSS to develop Drupal 7 websites from PSD mockups. Practiced good UI/UX design as well as wireframing. Created custom logos, styleguides, and website designs.

### Web Designer & Front-End Developer

Zenuity • Scottsdale, AZ • June 2010 - July 2011

Designed website mockups, business cards, and logos as well as other print material. Used HTML, CSS, javascript, and PHP to code websites. Integrated websites into different CMS platforms.

### Intern

Prisma Graphic • Phoenix, AZ • May 2009 - August 2009

Edited and prepared designs to be sent to press. Learned a lot about different aspects of the printing industry.

## Awards

Provost Scholarship from August 2006 - May 2010

Dean's List from August 2006 - May 2010
